

Saw Trax Carts and Dollies

...we didn't reinvent the wheel - just the dolly.

yel-Low Safety Dolly

\$469.95

The yel-Low Safety Dolly is great for moving mattresses, flat screen TV's, desks, sofas, kayaks, sheet goods, plywood, etc. Includes six 56" steel posts with 14 vertical and 8 horizontal post positions.

Specifications

- 53 lbs
- 30" x 25" x 5 1/4"
- 5.25" low loading height
- 1000 lbs weight capacity
- 4" Red iron/urethane non-marring casters

Raised Safety Dolly

\$489.95

The Raised Safety Dolly is great for deliveries, intended for both indoor/outdoor uses on hard surfaces. Includes six 56" steel posts with 14 vertical and 8 horizontal post positions. Two height options: High (outdoor) and Low (indoor).

Specifications

- 54 lbs
- 30" x 25" x (5 1/4" or 9 5/8")
- Indoor and outdoor use
- 1000 lb weight capacity
- 4" Red iron/urethane non-marring casters

Mattress Dolly

\$549.95

The Mattress Dolly is great for moving pillow-top mattresses and box springs simultaneously with 4 more post positions that allow for 16.25" & 9.25" gaps instead of an even gap of 12.75" in the 30" width direction. Includes six 62.5" steel posts with 18 vertical and 8 horizontal post positions and 4 corner wall protectors.

Specifications

- 55 lbs
- 30" x 25" x (5 1/4" or 9 5/8")
- 4" Red iron/urethane non-marring locking casters
- 1000 lb weight capacity

Dolly Max

\$579.00

The Dolly Max is excellent for landscaping, renovations, demolitions, build-outs and yard work. This is the ultimate jobsite and hauling cart. Pull like a rickshaw or push like a wheel barrow. Includes six 56" steel posts and two 56" steel wheelbarrow posts with 10 vertical and 7 horizontal post positions.

Specifications

- 72 lbs
- 30" x 25" x 13"
- 12.25" foam-filled, flat-free tires
- 700 lb weight capacity
- 5" locking urethane casters

Panel Express

\$529.95

The Panel Express is the only self-clamping panel cart on the market. This cart is used by glaziers, drywallers, marble, granite, glass, mirror, and paneling companies. The Panel Express includes off-road, foam-filled 12.25" tires and 5" locking casters.

Specifications

- 68 lbs
- 26" x 20 3/4" x 20"
- 700 lb weight capacity
- 12.25" foam-filled, flat-free tires
- 5" locking urethane casters

Scoop Dolly

\$799.95

The Scoop Dolly is great for window/door companies, staircase manufacturers, large boxed furniture or anyone that needs to move bulky, large, top-heavy or heavy items. *Shown with optional Dock Transition Wheels (sold separately). Takes the place of a forklift in many situations. Reduces lifting injuries and workman's comp claims.

Specifications

- 125 lbs
- 33 3/4" x 30"
- 65" height when in middle post position
- 700 lb weight capacity
- 4" Red iron/urethane non-marring casters
